**FOR IMMEDIATE RELEASE**

**JSG *OCEANA* INTRODUCES THE BRIANNA ART VESSEL**

**JEANNETTE, PA., February 11, 2008...** JSG *Oceana* is pleased to introduce the Brianna Art Vessel during the Winter Markets to continue the successful unity of Beautiful Glass and Sleek Metal.

JSG *Oceana* is proud to announce the unveiling of our new Brianna Art Vessel Glass Sink. Each elegant Brianna Art Vessel combines the grace of free formed glass with the stunning beauty of our lustrous and colorful designs. Vessel-mounted atop a chrome pedestal, the Brianna Art Vessel becomes a focus for light and reflection. The beauty and durability of our glass sinks will astound you with resistance to scratches, stains, chemicals and thermal shock.

*Oceana* Glass is "Hard Roc Glass," a unique formulation of borosilicate glass created by Jeannette Specialty Glass for *Oceana*. Hard Roc Glass is thermal shock resistant and can withstand fluctuations in temperature. *Oceana* Glass is nonporous making it very hygienic. *Oceana* Glass Vessels are IAPMO approved.

*Oceana* Brianna Art Vessels are a designer's dream. The lavatory sink is no longer an afterthought, but instead the showpiece to which the entire room is created around. The jewel luminescent colors in 3-dimensional texture also coordinate with *Oceana* Glass Tiles. The room is defined by the beauty of the glistening colors of the *Oceana* Glass Sinks and the *Oceana* Glass Tiles that orchestrate the breath of the room.

JSG *Oceana*, where beauty meets everyday life.
