FOR IMMEDIATE RELEASE

JSG *OCEANA* INTRODUCES THE DIAMOND VESSEL

JEANNETTE, PA., February 11, 2008... JSG *Oceana* is pleased to introduce the Diamond Vessel during the Winter Markets to continue the successful unity of Beautiful Glass and Sleek Design.

JSG *Oceana* is proud to announce the unveiling of our new Diamond Vessel Glass Sink. Our Diamond Vessel's unique shape and design creates a fashion-forward movement in bathroom décor. Vessel-mounted atop one of our pedestals, the Diamond Vessel becomes a focus for light and reflection. The beauty and durability of our glass sinks will astound you with resistance to scratches, stains, chemicals and thermal shock.

Oceana Glass is "Hard Roc Glass," a unique formulation of borosilicate glass created by Jeannette Specialty Glass for *Oceana*. Hard Roc Glass is thermal shock resistant and can withstand fluctuations in temperature. *Oceana* Glass is nonporous making it very hygienic. *Oceana* Glass Vessels are IAPMO approved.

Oceana Diamond Vessels are a designer's dream. The lavatory sink is no longer an afterthought, but instead the showpiece to which the entire room is created around.

JSG *Oceana*, where beauty meets everyday life.
