JSG OCEANA INTRODUCES HOSPITALITY GLASS TABLETOP

JEANNETTE, PA., April 27, 2009.... JSG *Oceana* is pleased to announce the introduction of their Hospitality Glass Serving-ware to their JSG *Oceana* Tabletop/Giftware Hospitality division.

JSG *Oceana* offers designer serving bowls, trays and chargers available in 10 lustre colorations including our Precious Metals Collection of Copper, Platinum, and 24K Gold. Though our Precious Metals Collection colorations are beautiful, *Copper, Platinum, and 24K Gold are not Microwave, Oven, and Dishwasher Safe* due to the metal particles which are fused into the glass to create these unique colorations. Their luminescent and 3-dimensional ocean pattern creates a sparkling effect ideal for the hospitality consumer. Our glass serving trays are perfect for weddings, banquets, specialty parties, and catering events with superior durability and elegant appeal. Each of our unique chargers can be personalized with your artwork or logo to present your guests with personal style and service. In addition to their unique style and beauty, their lightweight and durable, *Microwave, Oven, and Dishwasher Safe* capabilities will create easy care and cleaning in a non-stop industry JSG *Oceana* glass brings beauty as well as durability to the presentation of your hotel, restaurant, resort, or specialty venue.

JSG *Oceana* glass products are Microwave, Dishwasher, and Oven safe up to 450°F, which make them ideal for the Hospitality industry. Our selection of JSG *Oceana* "Hard Roc Glass" is thermal shock, scratch, and stain resistant and can withstand fluctuations in temperature and humidity. JSG *Oceana* glass is easy to clean and has a non-porous surface which prevents the trapping of bacterial food contaminants. JSG *Oceana* Glass products can be used for storing, cooking, and serving.

JSG *Oceana*, where beauty of glass meets everyday life.
