FOR IMMEDIATE RELEASE

JSG OCEANA INTRODUCES LA FLORA TRAY

JEANNETTE, PA., October 13, 2009.... JSG Oceana is pleased to announce the introduction of their newest design, *La Flora Tray*.

This unique free-formed Art piece can be used as a serving tray, a center piece, or an exquisite piece of art. And who would have thought such a beautiful art piece and serving piece would be able to go from the *oven, to the microwave, to the table, and then to the dishwasher*.

La Flora Tray becomes a one-of-a kind masterpiece; created by free-formed molten glass and individually hand-formed by our glass artisans. *La Flora Tray* is available in four lustrous colorations; Champagne Gold, Black Nickel, Sea Green, and Crystal, and its free-formed art glass brings beauty as well as durability to the presentation of your home. Competitively priced at \$9.95 wholesale, *La Flora Tray* is ideal for any consumer with a flair for creativity and design.

JSG Oceana "Hard Roc Glass" is thermal shock, scratch, and stain resistant, with additional qualities of being *Microwave, Oven, & Dishwasher Safe*. JSG Oceana glass can withstand fluctuations in temperature and humidity so it will not crack.

JSG Oceana, where the beauty of glass meets everyday life.
