JSG *OCEANA* INTRODUCES THE MONARCH COLLECTION

JEANNETTE, PA., May 16, 2008... JSG *Oceana* is pleased to introduce these additions to the Monarch Collection during the Summer Market to carry on the successful unity of Beautiful Glass and Sleek Metal.

The Monarch Collection offers an array of precious metal and elegant glass in perfect harmony. The collection features both serving-ware and giftware and offers the most diverse decorator a variety of choices. From their 3-Tiered Monarch Stand to their Butterfly Candle Holder, JSG *Oceana* has reached every aspect of a designer's dream with exceptional flare. The Monarch Collection is available in two finishes; silver and copper, which best represents JSG *Oceana's* exquisite glass.

JSG *Oceana* glass products are Dishwasher, Microwave, and Oven safe, up to 450°F. They are also scratch and stain resistant. JSG *Oceana* glass is easy to clean and has a non-porous surface that will prevent trapping bacterial food and contaminants. JSG *Oceana* Glass products can be used for storing, cooking and serving. While similar to other glass baking products on the market, JSG *Oceana* glass products are both durable and beautiful.

JSG *Oceana*, where beauty meets everyday life.
