JSG OCEANA FEATURES PRECIOUS METALS TILE

JEANNETTE, PA., February 13, 2009... JSG *Oceana* is pleased to feature the Precious Metals Tile Collection to our Signature JSG *Oceana* Tile Designs.

JSG *Oceana*'s Precious Metals Tile Collection combines the unique ocean pattern of our tile with the beauty of three luxurious metals; Copper, 24K Gold and Platinum. Our Precious Metals Tile Collection brings an elegance to tile design in your Kitchen or Bath. Each of these magnificent JSG *Oceana* Precious Metal Tile pieces are infused with actual 24K Gold, Platinum, and Copper to produce a distinguished look and value.

This inspiring collection is available in multiple tile creations such as; circles, triangles, elongated shapes and curves, signature logos and distinctive designs. JSG *Oceana* glass tile can be custom made in dimensions from 2" x 2" to 12" x 12". We can also create custom shapes that together form a design of any size

JSG *Oceana* glass is composed of "Hard Roc Glass," a unique formulation of borosilicate glass created by Jeannette Specialty Glass for *Oceana*. This special formulation of glass is lead-free and resistant to scratches, stains, chemicals and thermal shock. JSG *Oceana* Glass Tile can be substituted for or used in conjunction with marble, ceramic and natural stone products in various indoor, outdoor, vertical, horizontal, wet or dry applications. JSG *Oceana* glass is nonporous making it very hygienic and safe for the environment, and our glass tile is ideal in any living space and heated areas including pools, saunas and steam rooms.

JSG *Oceana*, where beauty of glass meets everyday life.
