FOR IMMEDIATE RELEASE

JSG OCEANA IS ALL ABOUT BEING GREEN

JEANNETTE, PA., November 4, 2008... JSG *Oceana* is pleased to announce the “Green Qualities” that JSG *Oceana*’s Kitchen & Bath specialty glass products have always possessed to be eco-friendly and safe for the environment.

JSG *Oceana* has always been conscious of our surroundings and the need to produce eco-friendly products. That is why we at JSG *Oceana* take special consideration when designing and producing our recyclable glass products. Along with producing recyclable glass products we are able to manufacture most of our glass Kitchen & Bathroom sinks and glass Tile with recycled glass. JSG *Oceana* glass is composed of “Hard Roc Glass,” a unique formulation of borosilicate glass created by Jeannette Specialty Glass for *Oceana*. This special formulation of glass is lead-free and resistant to scratches, stains, chemicals and thermal shock. JSG *Oceana* glass is nonporous making it very hygienic and safe for the environment. JSG *Oceana* Glass Vessels have also earned the IAPMO seal of approved for industry standards.

JSG Oceana, where beauty meets everyday life.
