JSG *OCEANA* INTRODUCES THE ZEN ART VESSEL

JEANNETTE, PA., February 17, 2009... JSG *Oceana* is pleased to introduce the Zen Art Vessel to our beautiful array of Art Vessel Sinks offered through JSG *Oceana*.

JSG *Oceana* is proud to announce the unveiling of our new Zen Art Vessel Glass Sink. Each elegant Zen Art Vessel combines the grace of free formed glass with the stunning beauty of our lustrous and colorful designs. The calming spa-like design and flow of our Zen Art Vessel will turn any bath into a relaxing sanctuary. Spanning 17" in width and vessel-mounted atop one of our pedestals, the Zen Art Vessel becomes a focus for light and reflection. The beauty and durability of our glass sinks will astound you with resistance to scratches, stains, cracks, chemicals and thermal shock.

JSG *Oceana* Glass is "Hard Roc Glass," a unique formulation of borosilicate glass created by Jeannette Specialty Glass for *Oceana*. Hard Roc Glass is thermal shock resistant and can withstand fluctuations in temperature. JSG *Oceana* Glass is nonporous, making it very hygienic. JSG *Oceana* Glass Vessels are IAPMO approved.

JSG *Oceana* Zen Art Vessels are a designer's dream. The lavatory sink is no longer an afterthought, but instead the showpiece to which the entire room is created around. The jewel luminescent colors in 3-dimensional texture also coordinate with JSG *Oceana* Glass Tiles. The room is defined by the beauty of the glistening colors of the JSG *Oceana* Glass Sinks and the JSG *Oceana* Glass Tiles that orchestrate the breath of the room.

JSG *Oceana*, where the beauty of glass meets everyday life.
